**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please save Bridge 2 Broadband. Competition is good for the consumer and for the industry. I currently use a locally owned and operated fiber service that is exceptional, in service, support and pricing. This wouldn't be possible if the large telecoms are allowed to steamroll everyone else out of business. Please support a competitive communication landscape.
